Art Unit: 1756

1. The request to correct the inventorship of this nonprovisional application under 37 CFR 1.48(a) is deficient because:

An oath or declaration by each actual inventor or inventors listing the entire inventive entity has not been submitted.

The declaration filed on Dec. 21, 2005, lists the inventor "John F. Yanus," who is not listed on the three declarations previously filed on Dec. 12, 2003, Apr. 22, 2004, and Feb. 11, 2005. The three previously filed declarations list the inventor "Jack Yanus."

Furthermore, it is also noted that the declaration filed on Dec. 21, 2005, and the three previously filed declarations list the inventor "Geoff Foley." However, the signature on the declaration filed on Dec. 21, 2005, and the two previously filed on Dec. 12, 2003, and Apr. 22, 2004, appears to read "Geoffrey M.T. Foley." The name "Geoff" appears to be an abbreviation for the name "Geoffrey." 37 CFR 1.63(a)(2) requires that the declaration "identify each inventor by full name, including the family name, and at least one given name without abbreviation together with any other given name or initial" (emphasis added). Thus, the oath or declaration filed on Dec. 21, 2005, is defective because the full name of each inventor (family name

and at least one given name together with any initial) has not been set forth. See MPEP 605.04(b).

Moreover, the declaration of Robert C.U. Yu filed on Dec. 21, 2005, is deficient, because it does not include the date of execution.. Furthermore, that declaration incorrectly states that a declaration was filed on Dec. 16, 2002. However, the instant application was filed on Dec. 12, 2003. As noted above, in this application, declarations were filed on Dec. 13, 2003, Apr. 22, 2004, and Feb. 11, 2005.

Applicants are reminded that if the individual is the same, but the name "Jack Yanus" was incorrectly given in the previously filed declarations, a petition under 37 CFR 1.182 should be filed requesting correction of applicant's name. The petition should be directed to the attention of the Office of Petitions. Since amendments are not permitted after the payment of the issue fee (37 CFR 1.312), a petition under 37 CFR 1.182 to change the name of the inventor cannot be granted if filed after the payment of the issue fee. See MPEP 605.04(c).
